the camera

Dark Background

## EXAMPLE OF AN UNPROFESSIONAL CV PHOTO

Not smiling

Frame of glasses is covering the  
eyes

Shoulders should  
be covered

Photo should not be taken by the  
subject

## ADDITIONAL NOTES

A professional CV photo could make the difference between being invited or rejected for an interview with your HO, and therefore it is of the utmost importance that you pay particular attention to detail when choosing the photograph that will represent you.

Please also make sure that your CV photo is not:

- Black and White
- In a Casual Setting
- Cropped from a Group Photograph
